EKA

Design by Vincent Cantaert & Barbara Widiningtias

Modern and refined, the EKKA collection is distinguished by its natural teak wood elements. The popular EKKA lounge now features bigger sized wheels and is also available in a sleek all-teak-frame version.

The extensive sectional lounge options are complemented by MAMAGREEN's signature 100% outdoor cushions and distinctive quilted upholstery, all supported by smooth teak. The EKKA range also includes a beautifully designed dining chair.
